### 1. Via Public Transport

Step 1: Come to *Motspur Park* Station (Zone 4) → Step 2: Walk to the office

#### Step 1: Come to Motspur Park Station (BR station, not Underground)

1. **From London Heathrow:** Catch the London Underground Piccadilly line (Blue) to Earl's court. Change there to the District Line (Green line), which is going to Wimbledon. Change from here to British Rail going towards Motspur Park.
2. **From London Gatwick:** take a British Rail train to Clapham Junction. Then from Clapham Junction (Platform 11) take another BR train to Motspur Park. You do not need to take the Gatwick Express – which does not stop at Clapham Junction; it goes directly to Victoria. If you take this, you have to come back to Clapham Junction from Victoria Station.
3. **From London City Airport:** Take the underground to Waterloo (please establish best method). Then take a BR train to Motspur Park.
4. **From London Stanstead Airport:** Take the train from the airport to Liverpool Street. From Liverpool Street, go to Bank Station on the Underground Central Line (Red). From Bank station take the Waterloo and City Line and come to Waterloo Station (British Rail). Then take a BR train to Motspur Park.
5. **From Your Central London Hotel:** Take a tube to Waterloo station. Or take a cab from your hotel to Waterloo British Rail station. Waterloo underground station is connected to the main BR station. Then take a BR train to Motspur Park.
6. **From London Euston:** Take the underground (Victoria Line (Blue Colour) to Vauxhall. Then take a BR train to Motspur Park station.
7. **From London Waterloo:** Trains to Motspur Park usually leave from platforms 1, 2, 3 and 4. If you travel after 0930am then get a one-day Travel card for four zones, else buy a return ticket. Total travel time from Waterloo to our office is 25 minutes by train, 3-5 minutes by walk, so approximately 30 minutes altogether.

## **Step 2: Walk to the office from Motspur Park Station (3-5 minutes)**

1. The steps to come out of Motspur Park station are in middle of the station. Please climb up and **take a left**.
2. At the street take **left again** and proceed till the road curves and joins West Barnes Lanes.
3. At this junction turn **left again** and walk ahead till you see a mini roundabout and a road on your left called Seaforth Avenue.
